

# WELLNESS CHECKUP QUESTIONNAIRE

---

We want you to get the most out of your pet's wellness checkup. Please take a few minutes to answer the following and bring this to your visit so we make sure to cover everything.

---

## **Has anything about your pet or their behavior changed since your last visit?**

*New lumps, limps, or lethargy? More nervous, aggressive, confident, etc?*

## **Have there been any major changes to your pet's lifestyle, or your family?**

*Think about things like grooming, travel, and outside time. Are there new people, pets, or places?*

**List any questions you have about your pet or general pet health and care.**
